Dear Friends – Residents and Visitors to Newnham,

There is lots going on in our church this month, as we celebrate Advent and Christmas. Some of the things shown will offer a fairly traditional look at the Christmas story, some will offer a new twist on a familiar tale, some will be noisy and celebratory, some will be more reflective and peaceful. You are welcome at any time, whatever your age or background. As well as the services and events, if you would like a quiet moment in the church, it is open each day.

However you mark this season (we hope you will join us at some of the services and events shown below), it is our hope as we hear and sing carols, familiar to us all, as we hear again the well-known story of the nativity, as we pray, pause or reflect, as we celebrate together, that each of us will be drawn further into the truth held in that first Christmas story, a truth that holds to this day, that God has come to us in the person of Jesus. God is with us. Emmanuel, God with us.
